

Wisdom of the Eternal River

Chapter 1: Flow Like Water

The river does not struggle to reach the ocean. It flows with trust, winding around stones and mountains. In the same way, the soul finds its home when it flows with life, not against it. To resist is to suffer, but to trust is to arrive.

Chapter 2: The Mirror of Compassion

Every person you meet is a reflection of your own inner world. When you respond with kindness, the world mirrors kindness back to you. Hatred multiplies itself when returned, but compassion dissolves it at its root.
